Application for the registration of a design under part II of the Mysore Inventions and Designs Regulation, 1894.

The applicant begs to state as follows:-

1. The applicant claims to be the proprietor of the design of which the nature is hereinafter - stated.

2. To the best of his information and belief that design is within the meaning of Part II of the Mysore Inventions and Designs Regulation, 1894, a new and original design not previously published in the - territories of Mysore.

3. Four copies of the printed drawings of the Design accompany this application.

4. The following is a statement of the nature of the design:-

(1) It is intended as a Trade Mark for a Sala Misri Murabba that the applicant has prepared:

(B) The design is that of a lion sitting on its hind legs, with a person standing by - with his right elbow in contact with the mane of the lion and holding in right hand an iron mallet and with his left hand down holding a - tray.

Above the figures of the lion and man the words "Sala Misri Murabba" are inscribed and - below the said figures the words "Trade Mark" are inscribed. The whole thing appears as if inscribed on an open round tin case.

5. The applicant therefore applies for an order for the registration of the Design pursuant to part II of the Mysore Inventions and Designs Regulation, 1894.
